Total Contact hr per week: 32			Total Credit: 28					Grand Total Marks:				500	

M.Tech(Automobile Engineering)
Semester-(IV)
2022-23

Course Title	DISSERTATION & SEMINAR				
Course Code	MENAE401P				
Course Credits	L	T	P	TC	
	-	-	20	20	
Prerequisites	Pre-Dissertation, project works etc.				
Course Objectives	<p>This course will enable students to:</p> <ul style="list-style-type: none">• Undertake research into any aspect of Automobile Engineering• Widen and enrich the literature pertaining to the topic of research• Present the research findings before experts (academicians and/or professionals) in the chosen field.• Prepare a technical report on the research undertaken• Explore in depth and develop a subject of his/her own choice, which adds significantly to the body of knowledge existing in the field of automobile and which uses the knowledge he/she has acquired from theory and design courses previously taken.				
Course Contents	<p>The submission for first internal review should have the following:</p> <p>Synopsis which includes a working title, background to the study, need for the study aim and objectives, methodology, scope and limitations, preliminary literature studies, and brief introduction about the study area. The study is to be presented as sheets with all necessary data including maps, statistics, photos etc. An A4 size draft report should be submitted with minimum 20 pages.</p> <p>The submission for second internal review should have the following:</p> <p>All previous sheets/slides with improvement, all secondary data about the study area including maps, statistics & photographs, results from primary studies & its analysis. The study is to be presented as sheets with all necessary maps, statistics, photos etc .An A4 size draft report should be submitted with minimum 40 pages.</p> <p>The submission for third internal review should have the following:</p> <p>All previous sheets/slides with improvement, Data Analysis /Findings/Results/, Inferences, Strategies/guidelines/proposals, Conclusion. The study is to be presented as sheets with all necessary maps, statistics, photos etc .An A4 size draft report should be submitted with minimum 60 pages.</p> <p>The final end semester Viva Voce will be conducted by a Evaluation committee appointed by University. The students should submit 3 copies of the final thesis report before the final examination. The study is to be presented as A1 sheets (max. 40 no"s) with all necessary maps, statistics, photos etc. The students may also present models/ short videos/ power point presentations about the project.</p>				

M.Tech(Automobile Engineering)
Semester-(IV)
2022-23

Course Outcomes	<p>After the completion of course:</p> <ul style="list-style-type: none">• Identify Topics where there is a gap research in relevant field of study• Conduct literature search to further understanding of the topic of study, develop suitable research designs and applying it in the research.• Disseminate the findings of the research in professionally acceptable standards
